

How to obtain a Minnesota Dept. of Natural Resources DNR Number

Start Here

MN DNR: [MN DNR: https://licenses.dnr.state.mn.us](https://licenses.dnr.state.mn.us)

1. Click Account (upper right)
2. You will be re-directed to LoginMN, click “create account”
3. Read the data collection notice then Accept & continue
4. Enter the same email from Step 2 above
5. Check your email for a code, enter the code
6. Create an account for YOU (parent/guardian)
7. Create a password and REMEMBER IT for all time you will use this to purchase hunting/fishing license in future and to link any additional children
8. Enter phone number to receive a code by text or call
9. Enter the code you received by text or call
10. You are now done creating the LoginMN – enter
11. You will now create YOUR profile for the MN DNR system, complete all info requested
12. Back at the main DNR screen you will now see “Your Name” in the upper right, click on it

If you are attempting to add a LINKED USER follow steps 13-20

13. You will then be requested to Add a User
14. Then search for your child by SSN or DNR # (if you have), Last Name and DOB > Search Customer
15. If your child is not found select + Create Customer
16. You will now enter all info for your child, just like you did for yourself, you do not have to link an email if you don't want
17. Read the COPPA Consent, check the box agreeing. Be careful on the next question – read carefully before checking the box
18. You should get a ‘confirmation’ that child has been successfully linked
19. Look back to “Your Name” in the upper right of the main page.
20. Click your name; you should now see your name and your child in the drop-down box with DNR #'s by both.

If you are attempting the self-certification process for a child, select that child then select CERTIFICATIONS from the drop-down box.

If you have questions on signing in call Sara @ DNR (320) 412-1171
